The College Crest

Estb-1882

The emblem of the College dates to 1882 when the French Foreign Missionary Fathers started this Institution of higher learning. It is made of two scrolls, one scroll placed above the crown, bears the motto of the Institution inscribed in Latin - 'Fide et Labore' and the other scroll placed beneath the palm leaves bears the name of the Institution. The shield bears a Cross in the centre which is symbolic of Christian Faith and there are two bees on either side of the lower part of the Cross representing hard work, The crown, which is placed above the shield, is a heraldic symbol of supremacy and glory. The compartment beneath the shield consists of palm leaves that are a sign of victory.

ST. JOSEPH (Patron of the Institution)

The Patron of our College and model for our students is St. Joseph, the foster father of Jesus. True to his life, St. Joseph is called a just man. He was a person of faith in God and in other fellow human beings. For his livelihood, he toiled. The motto of the College, "Fide et Labore", which means faith and toil, reflects the life and spirit of St. Joseph who was a carpenter by profession and the protector of the Holy Family. Therefore, it is right that he is our patron. We want him to protect, guide and inspire us into a life of hard work, toil and faith.

•≡The College Anthem≡•

Ring out the battle call of duty!
Unfurl the flag of faith and Toil !
We deem our soul's eternal beauty.
A life-long Victor's worthy spoil.
A thousands such are proudly gone before us
To win and spread our College renown:
tis ours to swell with our voices the chorus
And with our deeds enrich her crown.

Chorus

Faith and Toil ! conquer less alliance
Wherein we clasp human hands unto God's !
In his control, find we true self-reliances;
My hand and God's - what'er the odds
My hand and God's - what'er the odds
My hand and God's
Evils onset hold in defiance !

Prayer for Generosity

Lord, teach me to be generous.
Teach me to serve you as you deserve;
to give and not to count the cost,
to fight and not to heed the wounds,
to toil and not to seek for rest,
to labor and not to ask for reward,
save that of knowing that I do your will

ST. IGNATIUS OF LOYOLA

The Jesuit Order was founded by St. Ignatius Loyola in the 16th century. Formerly a soldier, he took to the cause of serving humanity. When a career in the military under a monarch was shed by him, he took up the worthier cause of becoming a soldier of Jesus Christ possessed with a single vision of establishing a world of humanity and justice. St. Ignatius Loyola had a keen desire to spread education and knowledge, mediums of liberation for a just and equitable society. His ideals preserved and practiced in the most reverential manner form the bedrock of the Jesuits to this day. Around 20,000 Jesuits in the world are committed to the cause of spreading higher education.

Students who enroll in St. Joseph's College of Law are instilled with a unique combination of appropriate attitudes and empathy along with skill sets and high levels of competence. Our students are expected to not merely excel but also imbibe in this excellence deep-seated virtues of service to humanity.

Unity of Heart, Mind and Soul: Developing the whole person. Integrating all aspects of our lives.

Ad Majorem Dei Gloriam (AMDG): doing all thing "For the Greater Glory of God"

Forming and Educating Agents of Change: teaching behaviours that reflect critical thought and responsible action on moral and ethical issues.

ABOUT THE INSTITUTION

Dear Josephites,

Welcome to St Joseph's College of Law. This institution is run by the Society of Jesus or Jesuits who are a Catholic religious Order founded in 1540 by St. Ignatius of Loyola. The members have been active in the field of education throughout the world. St Joseph's Institutions in Bangalore are some of the oldest in the State of Karnataka with a history of more than 145 years. The college emblem dates to the French foreign Missionary Fathers who started an institution of higher learning in the year 1882. St. Joseph's College of Law has forayed into the area of imparting legal education in the academic year 2017. The college is registered under the Bangalore Jesuit Educational Society. It is the first ever Jesuit Law College in South Asia. The Institution is driven by the ideology of faith and toil that is resonated in the motto of the College "FIDE ET LABORE". Our Endeavour is to see that the students imbibe sound ethical principles along with acquiring legal knowledge.

Although, the College is a religious minority institution, all students are welcome in this College without distinction of gender, caste and creed. The College will give preference to students hailing from the minority communities and women who are traditionally under-represented in the legal profession. The socio-economically marginalized groups receive special preference, in keeping with the admission policy of the Management. St. Joseph's College of Law is affiliated to Karnataka State Law University, Hubballi and is approved by the Bar Council of India (BCI), New Delhi.

THE COLLEGE MOTTO

The motto of the College is 'Fide et Labore' which means 'By Faith and Toil.' Faith among other things gives us a deep commitment to God, to our fellow human beings and to intellectual pursuits. Toil is a necessary prerequisite for success.

VISION OF THE COLLEGE

1.Aims and objectives of the College

In keeping with the ethos of the Society of Jesus, the guiding force behind this institution and keeping in tune with the values and spirit of the Constitution of India, the College aims at holistic formation of students, helping them to become women and men imbued with a spirit of excellence and an abiding concern for others. Faith in God, moral uprightness, love of fellow beings, social responsibility and pursuit of excellence forms core values which guide us. We believe in three intertwined goals: academic excellence, character formation and social concern that shapes individuals to become "women and men" for the larger society.

1.1Academic Excellence

The college places very high value on academic excellence. The courses are rigorous and need daily application of effort. Academic excellence is strengthened through intellectual development and aesthetic and ethical engagements that make an individual achieve greater heights of success and contribute meaningfully to the betterment of the society. The students are constantly guided and encouraged to cultivate the art of thinking that nurtures imagination, stimulates critical enquiry and empowers them to think and express themselves clearly.

This channelizes the quest for academic excellence with the highly competent faculty, an efficient administrative team, an excellent infrastructure which creates an invigorating atmosphere of academic culture. Students should join at least one of the Committees of the College, and thus experience intellectual growth and develop a spirit of inquiry.

1.2 Social Concern

The heart of the college is social concern. We strive to achieve perfection through an earnest pursuit for excellence and our efforts blossom into service through our creative and empathetic involvement in the society to transform it. The Institution believes to live God's love through its service to the communities and individuals who are socially and economically deprived. In order to promote equality and provide opportunities of excellence for all, the Institution organizes many outreach programs coordinated by different Associations.

1.3 Character Formation

Character development is an essential aspect of education. Character includes behaviour, values and attitudes towards life and others. It is an integral process that shapes the individuality and distinctiveness of an individual. Essential to any character formation is self-discipline. The rules of discipline in the College are meant for social well-being, order and harmony. The college believing and following its motto to build up and shape mental, moral qualities of its students arranges for meaningful curricular, co-curricular and extracurricular activities.

2. Parents and Guardians

St Joseph's College of Law acknowledges the role of parents in the education of their children and values the suggestions and concerns of the parent body. The college on its part is instrumental in conducting formal meetings between the senior management and a comprehensive representation of parents.

Parents and Guardians are partners with the college in the task of holistic growth and integral education of their wards. It is in keeping with this concept of "Partnership-in-education" that the Principal invites the parents/guardians of students in batches to discuss the performance of their children. The dates of the meetings are announced in the calendar, and will also be intimated through email. Parents/guardians are requested to attend the meetings. The college welcomes suggestions from parents and well-wishers. We expect the parents and the guardians to co-operate with the college authorities by enforcing discipline and regularity in their wards. It is also recommended that they meet the student counselor and class mentors regularly to ascertain the conduct and progress of their wards. If the parents wish to meet any teacher, they should approach the College Reception and take an appointment prior to their visit.

The College expects every student to have the minimum attendance of 75% in each subject as per the Karnataka State Law University requirements. Excuses will not be entertained if the student does not have the required attendance at the end of the academic year.

If a student is absent for more than three days, he or she must get a formal leave letter (format is provided in the handbook) duly signed by the Parent/Guardian to produce along with the leave record in the College Calendar addressed to the Principal.

If a student falls short of 75% attendance in any subject in a month, he/she is required to meet the Principal with his/her parents. Once a student leaves the campus with/without the written permission from the College Authorities, the College Management, Principal or any authorized individual; St. Joseph's College of Law will not be held responsible in case of any unforeseen occurrences outside the campus.

3. Staff-Student Rapport

A Class Mentor would be assigned to every Class. The role of the Class Mentor is to help and guide the students in realizing their full potential. Students are encouraged to facilitate the student-teacher interactions by making appointments in advance in consultation with the faculty members for project work/practicum and research supervision. Students are expected to utilize the student-teacher interaction time between after class hours for all queries; academic in nature and/or to seek and discuss remedial learning work.

The Lord's Prayer

Our Father, Who art in heaven,
Hallowed be Thy Name.
Thy Kingdom comes.
Thy Will be done, on earth as it is in Heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass against us.
And lead us not into temptation, but deliver us
from evil. Amen

Prayer for the Country

Where the mind is without fear and the head is held high
Into that heaven of freedom, my Father, let my country awake
Where knowledge is free
Where the world has not been broken up into fragments By
narrow domestic walls
Where words come out from the depth of truth
Where tireless striving stretches its arms towards perfection
Where the clear stream of reason has not lost its way
Into the dreary desert sand of dead habit Where the mind is
led forward by thee Into ever-widening thought and action
Into that heaven of freedom, my Father, let my country awake

- Rabindranath Tagore

St. Joseph's College of Law

St. Joseph's College of Law is approved by the Bar Council of India (BCI), New Delhi and affiliated to Karnataka State Law University, Hubballi.

St. Joseph's College of Law has forayed into the area of imparting legal education in the academic year 2017-2018. It is the first ever Jesuit Law College in South Asia. The Jesuits also run other premier institutions in India, like Loyola College, Chennai, St. Xavier's College, Calcutta and St. Xavier's College Mumbai.

The Institution is driven by the ideology of faith and labour that is reasonated in the motto of the College "FIDE ET LABORE".

The members of the Bangalore Jesuit Society started the Institution as they strongly felt that imparting legal education is necessary as it equips a citizen with techniques, skills, competences, basic philosophies, ideologies, critiques, and instrumentalities all addressed to the creation and maintenance of a just society. At St. Joseph's College of Law we are driven with the vision to produce competent, ethically sound lawyers who are committed to the cause of transforming the society.
